## ACUPUNCTURE FACIAL REJUVENATION

**Karen Sulger, L.Ac., Q.M.E.,  
clinic owner**

*Karen is a California State licensed acupuncturist with over 13 years experience. Karen graduated magna cum laude from Pacific College of Oriental Medicine, earning a Masters in Oriental Medicine. She also holds a national certification in "Acupuncture Orthopedics," providing special acupuncture techniques to treat pain. Karen loves her practise, which includes a full staff and two additional acupuncturists. Together they continue to expand their knowledge to bring new techniques to their clients.*

*Improve the look of your skin today!*

This non-surgical treatment has helped many of my clients feel and look younger, naturally. Acupuncture needles are applied to help firm, tighten and improve the overall quality of your skin. Anyone, at any age, interested in looking and feeling his or her best can benefit.
