Acupuncture Outcall

Your "At Home" Acupuncture Specialists

Acupuncture is known to help reduce pain and is effective in treating a wide variety of conditions.

Benefits of Acupuncture:

- **Post-Stroke Rehabilitation**
- **Post-Operative Recovery**
- **Pain Relief**
- **Chronic Illness Support**
- **Pregnancy, Nausea and Labor Support**
- **Relief From Radiation and Chemotherapy Side Effects**

"I am homebound with M.S. The Acupuncture Continuum's acupuncturists gave me treatments which helped with medication side effects, pain relief and an emotional lift. Plus my migraines are gone! My body always feels 100% better. I would highly recommend Acupuncture Outcall for anyone who has difficulty leaving home.
– R.A., San Diego
